RELIABILITY

WHY CHOOSE TGL

EXPERIENCE

Forex trading and real estate is our world. since 2016,we have accumulated know-how in the most diverse markets.

SECURITY

We store the vast majority of the digital assets held on TGL in secure offline storage mitigate against thefts and hacks, you can rest assured that your funds are safe .

FAST & STABILITY

Our services are super-fast and stable. a mixture of artificial intelligence intuitive user interface that enables you to exchange crypto and fiat currencies in real time .

RELIABILITY

Long term relationship with employees and clients are important for our entrepreneurial success. these relationships have developed from trust in TGL as a reliable partner. we are proud of our partnership-based corporate culture, from which our investors profit sustainably.

FOREX & TRADING

Growing very fast in popularity in recent years, cryptocurrencies have become the go-to investment option for many, with an ever-growing selection of cryptos added to the platform, offering balanced exposure and managed by TGL's expert investment committee, TGL presents many options for those who wish to trade and invest in the crypto market.

INVESTMENT PLANNING

We believe that persistent inefficiencies in the capital markets present opportunities for risk-adjusted return. At TGL we look to harness this potential through our global quantitative investment capability. Our team of over 20 specialists have developed a comprehensive range of clear rules-based approaches to generate systematic performance for our clients from equities, fixed income and derivatives. Combining innovative research, investment theory and in-depth understanding of sources of investment return, we seek to use our quant expertise to achieve our client's risk-return goals reliably, efficiently and cost-effectively.

REAL ESTATE MANAGEMENT

We are one of the largest real estate managers globally committed to sustainably investment and innovative solutions for clients, with over 100 real estate professionals in 12 locations worldwide, out scale drives credibility and deal flow.

In return, we can offer clients a comprehensive end-to-end service throughout the market cycle, spanning the real estate risk spectrum and value. Real estate trading also has a shorter time period during which capital and effort are tied up in a property. Depending on market conditions, there can be significant returns even on this shorter time frame.

AGRICULTURE

Agriculture is a low-risk investment that keeps pace with inflation and increases in value over the long-term.

Investment in agriculture is a tangible asset that provides benefit to the community, adding that it can diversify the investor's portfolio.
